

MINIRIG™ HDD SWIVELS

The “MINI RIG” range offers the directional driller a high quality swivel at a competitive price. Using all our big swivel expertise we have engineered a range of compact and durable swivels for the cost conscious operator.

FEATURES

- Patented sealing system keeps bentonite out but allows power greasing
- Shaft & clevis made from single steel billet - gives maximum strength and durability
- Clevis to clevis design
- Sizes – US Tons 15, 20
- Easy access side grease nipple

 Need a smaller or heavier duty swivel? We supply all the options to suit.

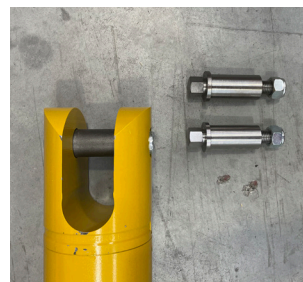

Product #	Swivel	Part No.	SWL lb	SWL kg	L	Ø	A	B	C	D	A/F	M	kg
